

**2017-2018 List Prices**

## PRICES:

All prices available on the website or to follow in this price guide are **MANUFACTURER'S SUGGESTED LIST PRICE**. Wholesale container pricing is available upon request. Prices are subject to change without notice, unless quoted in writing. Possession of the price list does not constitute authority to sell or offer for sale any company products. Mindo USA, Inc. (Mindo-USA) reserves the right to change prices based on changes in quantities, item modifications or total value of previously quoted or acknowledged pricing. Prices include cartons and, upon request, will also include prepaid and billed freight. Prices do not include storage, service, taxes, receiving or installation. Domestic freight charges can be prepaid and billed by Mindo-USA and can ship freight collect or the purchaser can specify a carrier. All prices are FOB the warehouse location in CA or FL unless otherwise acknowledged in writing.

**Orders under 200 cubic feet may be subject to a minimum order surcharge.** All pricing is the same for COM or covered in standard Mindo fabrics.

### Quantity Orders, Container Orders or Custom Requirements:

Prices, as shown, can be adjusted based on certain quantity requirements or for container purchasers. It is important to know the quantity requirements of each item at the time of the original quotation request. Mindo-USA has the ability to quote any type of outdoor seating or occasional table. In those instances, wherein a custom item is requested, Mindo-USA can also supply CAD drawings for approval, and the cost to the purchaser are refunded with the order. Custom developed products can have a minimum quantity requirement. Mindo-USA can build and value engineer to meet any industry specific requirement. It is important when requesting a quotation, that specific details about construction and budget be supplied.

## TERMS AND PAYMENTS:

**Unless otherwise indicated in writing, Mindo-USA requires a 50% deposit for all orders.** Orders that require a deposit will be held pending the receipt of payments unless the credit department approves alternate terms. Payment in full is due upon receipt of final invoice and before merchandise will be released for delivery unless Mindo-USA agrees in writing to alternate final payment terms. All payments must be received from the original purchaser as identified on the purchase order as no third party payments will be accepted unless approved in writing by Mindo-USA. Acceptance of third party payments is an accommodation and does not create any relationship between Mindo-USA and the payer. A service charge of 5% interest per month will be applied to all orders that remain unpaid beginning 30 days or more after the order(s) have been released for delivery. Cancelled orders are subject to a cancellation fee. Orders cancelled after 5 days are subject to a 20% charge of the total item price or more predicated on the current stage of production.

### CREDIT:

Terms other than 50% deposit and balance due before delivery are available to qualified accounts. A credit application can be downloaded from the website and submitted for review. Please allow 72 hours to process a credit application.

## QUOTATIONS:

Acceptance of a customer order is based solely on the purchaser providing a previously written Mindo-USA quotation. Quotations will be honored based on the time indicated on the quote form. Please be reminded to make sure you advise Mindo-USA of the quantities required at the time of any quote request. Standard item quotations should take no more than 24 hours. Please allow 72 hours for any custom quotation.

## ORDERS:

Only written purchase orders received with all the correct item information required (all details for both accurate billing and shipping by Mindo-USA) can be acknowledged within 48 hours of receipt. It is also important to include your sales tax certificate registration number. Mindo-USA reserves the right to reject any orders, refund any deposit and return any COM freight collect. The purchaser must advise Mindo-USA in writing of any discrepancies or errors in the Mindo-USA sales order acknowledgement with 3 days of receipt of said acknowledgement. Changes to an order are subject to additional charges and the order will be held until written confirmation from the purchaser is received. Acceptance of the Mindo-USA sales order acknowledgement (or invoice) is an acceptance of all the terms and conditions set forth by Mindo-USA herein, as an offer to sell products to the purchaser and supersedes any inconsistent or contrary terms and conditions indicated on any actual Mindo-USA document or any other document supplied by the purchaser. A waiver of any one term or condition shall not be deemed a waiver of any other term or condition.

These charges and their differences will be noted on the quote. Additional upcharges such as contrast piping or the use of multiple fabrics on the same item will be quoted at the time of the request.

**DELIVERY:**

Delivery dates and lead times are estimates only and based on inventory and current production schedules at the time of the order and are subject to change. Production cannot begin and lead times cannot be calculated until the acceptance of the order, receipt of any required deposit, and receipt of all COM (or other materials), confirmation of any changes, modifications or approvals.

**Lead times are based on inventory and/or current production schedule as follows:**

4-6 weeks, 6-8 weeks or 8-10 weeks and will be quoted at the time of the actual order and predicated on which of our two warehouses or FOB point is selected.

**PRODUCTS:**

Mindo-USA reserves the right to make minor changes in the design, dimensions and other materials without prior notice. Mindo-USA products are handcrafted and can have minor variations from the published specifications. All dimensions shown are overall sizes except where noted. Aluminum finishes and wovens may have slight variations from the samples shown or supplied and exact matching is not guaranteed. These variations are not to be considered defects. There may be minor variations from one piece of furniture to the next although they were finished at the same time.

**Standard Item Construction:**

All Mindo-USA standard items are made to meet or exceed industry acceptable contract grade construction in assembly, application of foam products, materials and finish. All Mindo-USA standard finishes are twice baked and utilize UV blockers to help stabilize color. Wicker materials are from Rehau, a high quality polymer based wicker product that is weather, temperature and UV resistant, in addition to being strong, lightweight, durable, easily maintained, non-toxic, scratch resistant and recyclable. All Mindo-USA foam products are polyurethane foam, high density and high resiliency, from 1.6 to 2.0 predicated on the item. All foam is inherently water repellent, mildew resistant and is manufactured for typical outdoor application. Throughout the entire manufacturing process, Mindo-USA utilizes either sustainable products or actively seeks to reduce the carbon footprint and increase the green effects of the manufacturing cycle and product offering.

**SAMPLES:**

Aluminum finishes, Rehau wovens, Sunbrella, Sling and top material options are provided in limited quantities and based on having issued a written Mindo-USA quote. Samples of the actual completed items can be sent for approval and are available based on a bona fide quote or order, in house, at Mindo-USA. The item will be invoiced and either credited against the order or can be returned, at the expense of the purchaser, for credit. All incurred on way freight charges are refunded with the order for that item.

**COM:**

ALL C.O.M. MATERIALS MUST BE SENT PREPAID:

**At the time of the quote or order the purchaser will be advised where to send the COM materials which is based on FOB location.**

Mindo-USA must assume that all fabrics sent to us have been inspected and ready for use. Mindo-USA will advise in writing upon receipt and inspection of any materials if there are any problems with quality, usability or application. Mindo-USA reserves the right to use the factory's best judgment on fabric applications. Any special instruction for application and use of materials must be indicated on the purchase order. Questions that arise out of the usability, direction or application of COM can delay the processing and manufacturing of an order. Mindo-USA will not take responsibility for the appearance or tailoring effects of customer selected materials. Mindo-USA will not take responsibility for color, defects, flaws, shortages and dye lot variations that may require additional COM to process the order. The purchaser is responsible for the suitability of the COM for outdoor upholstery purposes. Mindo-USA reserves the right to reject any fabric deemed unsuitable for the item or requested application. Mindo-USA's approval signifies only that the material in question can be applied but does not constitute any responsibility or warranty on the part of Mindo-USA as to appearance, behavior, durability, wear ability, fading, stretching, safety or fire code validity of the materials supplied by the purchaser. If Mindo-USA determines a fabric requires additional processes of any kind, the customer will be responsible for all charges associated with backing applications and return freight. This, along with any of the aforementioned COM issues, can cause delays in the previously quoted lead times.

Orders that require the outdoor suitable fabric to be RAILOADED must specify this term on the purchase order. The standard fabric layout places the top of the cutting pattern in the direction of the fabric as it comes off the bolt. Some fabrics have directions that run to the side of the bolt and for correct application, should be railroaded. **All stripes will be applied vertically unless specified differently.**

Please reference this chart when calculating COM with a repeat. All COM requirements in the Mindo-USA price list are based on 54-inch wide material with no repeat.

**Freight:**

**All non-container load shipments are FOB Mindo warehouses in either CA or FL unless indicated otherwise.** All shipments that are prepaid and billed exclude the final destinations to Canada, Alaska, Hawaii and Puerto Rico and will be prepaid to the port of exit or embarkation only. At that point, the purchaser then becomes responsible for additional fees and arrangements to the final ship to location. All domestic freight charges acknowledged or invoiced by Mindo-USA are based on dock-to-dock delivery only. Mindo-USA reserves the right to select the carriers on all prepaid and billed freight charges. Orders requiring special services are subject to additional charges. Customers can choose their own carrier, however, this must be indicated on the purchase order at the time of Mindo-USA's receipt of the order with: carrier name, phone number and contact. Please be reminded that based on the ship to location, domestic freight delivery times can be between 1-10 days from release at the factory. On any Mindo-USA sales order acknowledgement that reflects freight is prepaid and billed, the calculated freight rate to each state is based on a cubic foot formula. If the minimum cubic foot requirement per shipment is not met then the minimum freight charge will apply. Freight rates do not appear on quotations unless requested. Freight rates are subject to change due carrier price changes and fuel surcharges. All orders are subject to delay or failure of delivery due to strikes, labor issues, failure or delay of source of supply, transportation difficulties, war, riot, fire, accident, government compliance, Acts of God, or other causes beyond Mindo-USA's control. All delivery dates are approximate only. Disposition of shipments refused by the consignee, rerouting while in transit, or carrier storage charges are subject to additional charges and is the responsibility of the purchaser.

**Claims/Returns:** All claims for workmanship defects, shortages and errors must be made within 2 days after receipt and inspection of the merchandise at the purchaser's warehouse. Failure to make a claim within this period of time constitutes acceptance of the merchandise and a waiver of claims. All merchandise is inspected before shipping. All merchandise is signed for by the freight company that the items have been picked up in good condition. Third party shippers have sole responsibility for any damage, loss or shortages incurred in transit. Purchasers or receiving warehouse must inspect the merchandise upon arrival and make any claims directly to the carrier at that time. The receiver must record all damages or shortages on the BOL or any freight bill. Sign only for items you have received. If concealed damage is found (up to 10 days after receipt) notify Mindo-USA, or your specified carrier, immediately and request an inspection, which is mandatory for a claim for loss or concealed damage. Retain all cartons and inner packing materials for inspection. Do not remove or install damaged merchandise from the receiver's location. Mindo-USA is not responsible for freight related claims but will always assist the purchaser in the process to seek a resolution. No orders or items can be returned to Mindo-USA without written consent. Unauthorized returns will be reshipped to the location of origin and freight collect. Merchandise returned with further damage than claimed and photographed, due to improper packing and clear markings (R/A #), and may be subject to additional charges equal to our cost of restocking. An R/A will be issued by our customer service department. Merchandise not paid for within 90 days of invoice will be considered abandoned. In addition to any other remedy, Mindo-USA shall be entitled to liquidate the merchandise, retain all deposits and apply such proceeds to unpaid invoice balances. The purchaser is liable for any collection fees or legal fees incurred in the collection of unpaid invoices along with and any storage or related charges.

**Maintenance:**

Periodic inspection of chair and barstool frames should be considered. Care should be taken when handling chairs and barstools either when moving them, dragging them or placing them upside down. Do not store furniture upside down as it could allow water into the frame. Do not store outdoors for an extended time in sub-freezing temperatures. There are very specific ways to clean and maintain stainless steel by using a Scotch-Brite® pad. If any deposits are allowed to build up, then it may be necessary to clean the product more thoroughly with a stainless steel cleaner polisher, which cleans and restores the new look of stainless steel furniture and makes the surface repellent to both dirt and water. Do not use bleach, cleaners containing chlorine, acid based cleaners or abrasive cleaners on stainless steel or powder coated aluminum frames. In addition, steel wool pads or highly abrasive cloths shouldn't be used on any frame type. Cleaning of exposed stainless steel and aluminum powder coated frames should always be done with a mild soap and water (1/4 cup per gallon of water) and a soft sponge or cloth and then thoroughly rinsed with water. Naval jelly and paste wax can be used to protect exposed stainless steel or aluminum frames. All frames exposed to sea spray and salty air must be cleaned a minimum of once every 2 weeks to maintain the beauty and integrity of the finish.

**Warranty:**

Mindo-USA products are sold with a limited warranty against defects in materials or workmanship for a period of: FIVE (5) years from the delivery date on all frames, THREE (3) years on all powder coated aluminum frame finishes and woven materials (Rehau). Stainless steel items have a limited warranty on the finish based on the installation location of TWO years with direct exposure to sea air or salt water excluded from the finish warranty. Mindo-USA supplied Strap (solution dyed acrylic and reinforced polyester) or Sling textiles and cushions (Batyline- Serge Ferrari -composite materials) are covered for TWO (2) years from delivery. Other materials: glass, teak, spray stone and Mindowood have a Two (2) year limited warranty. Sunbrella fabrics have their own warranty and range from two to three years based on pattern. All other Mindo standard fabrics have a two-year warranty. COM materials are not covered under a Mindo-USA warranty. Mindo-USA reserves the right to repair or replace defective merchandise at its sole discretion. The limited warranty does not extend to other materials supplied by the purchaser or damages caused by shipping, accident, abuse, misuse, user modification, attachments to a product, alterations, negligence, misuse, failure to clean and maintain items properly, or normal wear and tear. No deductions for repairs in the field will be allowed without specific written authorization. All other warranties express or implied are excluded. Mindo-USA's liability on any claim of any kind, including loss or damage resulting from the manufacture, sales, delivery, resale repair or use of any item supplied under these terms and conditions of sale shall in no case exceed the price of the item(s) which give rise to the claim. In case of dispute, all matters shall be resolved in the court of arbitration in which the Mindo-USA, Inc. is registered.
